

MIDAS IRELAND INVITES YOU TO THEIR ANNUAL CONFERENCE

'Research in Action in the Microelectronics Sector'

Royal College of Physicians of Ireland (RCPI), 6 Kildare Street, Dublin 2

Thursday 7th November 9:30am

MIDAS Ireland, the Microelectronics Industry Design Association, wishes to invite you to join them on Thursday 7th November at 9:30am for the MIDAS Ireland Annual Conference at The Royal College of Physicians of Ireland (RCPI), 6 Kildare Street, Dublin 2.

This year the conference, which is taking place during Microelectronics Week, will address the topic: ***'Research in Action in the Microelectronics Sector'***.

The conference will open with a keynote address from Professor Mark Ferguson, Director General, Science Foundation Ireland and Chief Scientific Adviser to the Government of Ireland, focused on the economic impact and importance of research to this country.

Additionally John Blake, Chairman, MIDAS Ireland and Director, ON Semiconductor, will provide an update to attendees on the industry generally.

Following the formalities you are invited to join MIDAS Ireland for an informal networking lunch during which there will be a showcase session at which several MIDAS research partners, indigenous and multinational companies will exhibit some of their latest research activities.

We hope you can attend what should be a very informative conference. Additionally if there are other colleagues in your organisation who you think would be interested in attending please feel free to pass this invitation on to them.

To confirm your attendance please email Katherine Barry, MIDAS Ireland Co-ordinator by Monday 21st October at: katherine.barry@tyndall.ie

*Yours sincerely,
John Blake*
